

# **Service Included: Four-Star Secrets of an Eavesdropping Waiter**

*by*

**Phoebe Damrosch**

**EBOOK DOWNLOAD**

## Synopsis

Warning: May contain material offensive to vegans, pharmaceutical lobbyists, and those on a low-sodium diet. Animals were harmed during the writing of this book. While Phoebe Damrosch was waiting for life to happen, she supported herself by working as a waitress. Before long she was the only female captain at the four-star New York City restaurant Per Se during its first year. Service Included is the story of her obsession with food, her love affair with a sommelier, and her amusing, eye-opening, and sometimes shocking experiences in the fascinating, frenetic, highly competitive world of fine dining. Sitting down at a restaurant table will never be the same.

## Sort review

Book Description Bible puzzles are a great way to pass time while learning scripture—and here's a brand-new collection of word searches sure to satisfy the Spanish-speaking fan. With clues drawn from every book of scripture, Bible Word Search 2 will challenge and expand players' knowledge of the Good Book. Los rompecabezas bíblicos son una gran forma de pasar el tiempo mientras se aprenden las Escrituras; ahora llega esta flamante colección de sopas de letras que, con seguridad, satisfará a los jugadores hispanohablantes. Con pistas sacadas de todos los libros de las Escrituras, Sopa de letras de la Biblia 2 desafiará y ampliará su conocimiento del Gran Libro.

## What people say about this book

Dr. Karen Crouse, "Well written. One sentence in book floored me ... I didn't need to know about one of her customers... really sharing pervert sex acts at restaurant?"

M. Lucey Bowen, "I Devoured this book!. I'll admit to owning all of Thomas Keller's cookbooks, and that one of my favorite recipes is the special dish he created for the movie Ratatouille. My son's roommates from college were able to get reservations for French Laundry last summer, and invited us along. To eat food that is conceived, prepared and served with such love is something that is for me at least a once-in-this-lifetime-it's-worth-it experience. So i was prepared to enjoy Phoebe Damrosch's book. And I did. She's obviously a very spunky woman, who likes to eat. This is her first book. No, she is not yet the perfectly polished writer that is Ruth Reichl or MFK Fisher, but neither were they right out of the chute. I think there's lots more good writing to come from Ms. Damrosch. Just as she used her powers of observation of the restaurant, and her own personality to master a difficult job, those observations and her sense of humor make the book fun for foodies and former waitresses.( Oh yes, I forgot to mention my try at waitressing, at the old La Terrasse in Philadelphia, where I flunked out when the customer refused the bartender's third try at a banana daiquiri.) So read it! You can say you knew about her before she hits the big time!"

glomael, "Klug. Informativ. Fesselnd.. Witzig. Ehrlich. Interessant"

The book by Phoebe Damrosch has a rating of 5 out of 4.4. 153 people have provided feedback.
