About the AuthorDK Publishing was founded in London in 1974 and is now the world's leading illustrated reference publisher and part of Penguin Random House, formed on July 1, 2013. DK publishes highly visual, photographic nonfiction for adults and children, and produces content for consumers in more than 87 countries and 62 languages, with offices in Delhi, London, Melbourne, Munich, New York, and Toronto. DK's aim is to inform, enrich, and entertain readers of all ages, and everything DK publishes, whether print or digital, embodies the unique DK design approach. DK brings unrivaled clarity to a wide range of topics with a unique combination of words and pictures, put together to spectacular effect. It has a reputation for innovation in design for both print and digital products. DK's adult range spans travel—including the award-winning DK Eyewitness Travel Guides—history, science, nature, sport, gardening, cookery, and parenting. DK's extensive children's list showcases a fantastic store of information for children, toddlers, and babies. DK covers everything from animals and the human body, to homework help and craft activities, together with an impressive list of licensing titles, including the bestselling LEGObooks. DK acts as the parent company for Alpha Books, publisher of the Idiot's Guides series and Prima Games, video gaming publishers, as well as the award-winning travel publisher Rough Guides.

What people say about this book

DEA, "Great BASIC cat care reference book. I bought this as I'm usually a fan of anything "DK" and the pictures do not disappoint. This is a nicely written book but it's extremely basic and does not go in to depth. I would recommend though for a first time cat mum. If you want more detailed information I would recommend DK Encyclopaedia of the Cat which describes anatomy, emergencies, and medical issues and has lots more pictures/ illustrations which are beneficial."

R. M. Duenas, "Very thorough guide. If you want to learn about cats, this is a good option to start. We recently adopted a kitten and have found this book to be very helpful."

Karen H., "Very easy to read and understand. Very easy to read and understand... really helps me to understand the cat world! would recommend to all cat owners"

Tabitha Harrington, "Best. This is the best book ever!"

S C., "Handy basic guide to cat care. If you don't know or have forgotten, this contains basic info about caring for your cat. What it likes & dislikes. A handy guide to illness & injuries and when its safe to deal with it yourself vs calling in a specialist such as vet."

The book by Jenny Dean has a rating of 5 out of 4.5. 194 people have provided feedback.
