What people say about this book

Rose, "There is many different flavor combinations then im used to seeing and great detail to decorations. I cant wait to try a recipe from here. There is many different flavor combinations then im used to seeing and great detail to decorations. It is a bit on the advanced side for decorating and it is in spanish. But i love it"

mozart, "Five Stars. An interesting book & I am considering to buy her online class."

Sophie Mine, "Están mejor los otros libros de ella. Bueno el libro pero nada que ver con la facilidad y practicidad de los libros anteriores de PATricia, ingredientes en este libro difíciles de conseguir, repite mucho de los anteriores libros con pequeños cambios, sentí como que me quedó a deber"

The book by Hugh Sebag-Montefiore has a rating of 5 out of 4.6. 13 people have provided feedback.
