Synopsis

As the title suggests, The Giant Book of Unusual Facts, contains a huge list of strange and unusual facts about the world that we live in. The facts range from strange historical events to breakthrough scientific discoveries. The Giant Book of Unusual Facts is packed with interesting, entertaining, educational and fun things to read. You'll get everything from the weird to the wonderful and from the horrible to the hilarious. Facts such as: A U.S. navy spy ship captured by North Korea in 1968 is still listed as actively commissioned even though it's on display in the Pyongyang Victorious War Museum. The ceramic from spark plugs can be used to break the side windows of a car.
