## Synopsis

Customary Law Ascertained Volume 3 is the third of a three-volume series in which traditional authorities in Namibia present the customary laws of their communities. It contains the laws of the Nama, Ovaherero, Ovambanderu, and San communities. Volume 2 contained the customary laws of the Bakgalagari, the Batswana ba Namibia and the Damara communities. Recognised traditional authorities in Namibia are expected to ascertain the customary law applicable in their respective communities after consultation with the members of that community, and to note the most important aspect of such law in written form. This series is the result of that process, It has been facilitated but the Human Rights and Documentation Centre of the University of Namibia, through the former Dean of the Law Faculty, Professor Manfred Hinz.
